

# Fullstack Web Developer

Location: Lipjan, Kosovo

Email: ervinosmani3@gmail.com

Phone: +38349155546

## Profile

Passionate and dedicated fullstack web developer with advanced skills in frontend and backend development. Currently pursuing studies in Computer Science at UBT. I have solid experience in building web applications using Laravel, Vue.js, Tailwind CSS, and MySQL. I am ready to contribute to innovative projects and work in a professional environment, focusing on functional and high-quality solutions.

## Education
